Minnesota State Colleges and Universities New! Fire Fighter Training

One System, One Price, One Approach.

The Minnesota State Colleges and Universities is proud to incorporate our history of high quality instruction into a new approach for supporting the Minnesota Fire Service. Recently, all 12 MnSCU fire training programs came together to establish the new MnSCU NFPA 1001 course. This common course provides a consistent pricing structure, curriculum content, and assessment model for delivering the foundational firefighter skills needed to prepare them and your community.
